SENIOR CLASS TRIP

When we arrived on Tuesday morning, we found New York to be all we had dreamed of. We admired St. John's Cathedral, the Empire State Building was ever so tall, and Mr. Shell's personally guided tours were terrific. Remember "Don't Drink the Water", "Barefoot in the Park", the Rockettes, Tad's, Hector's.....and Oscar?

Some of us hiked around Yankee Stadium

While others relaxed

The international ferry ride was an experience most rewarding, and we found Miss Liberty to be truly a great lady.

...We even visited the Great Society world!

On Wednesday morning we made our television debut.

This week was both tiring and rewarding for one and all.

"You mean Jackie lives next door! ?!

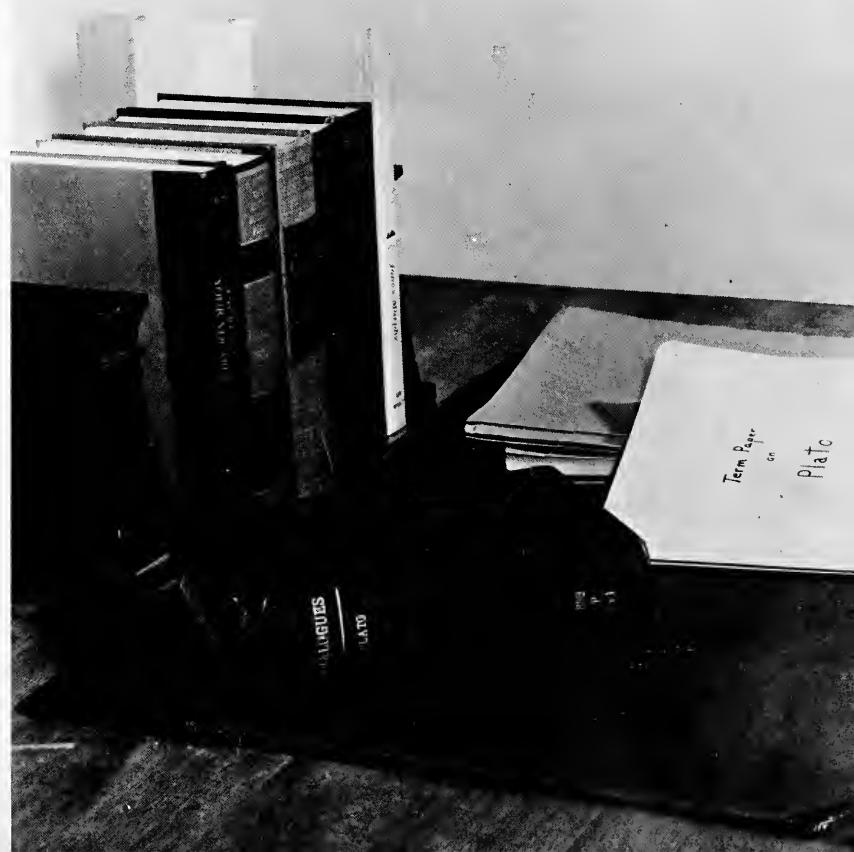

The Empire State Building gave us a breath-taking view of the city and a chance to talk with Marlowe!

Good-bye, New York. We'll never forget the good times we had.

STANDING: Mr. Fleming, Tom Lautzenheiser, Cheryl Gehres, Fay Crabtree, Debby Hoover, Joan Fegley, Gary Mohr, Dave Schumm, Mr. Edinger, Mike Meyer, Phil Weck, and Brad Bebout.

The Crestview Student Council's primary function is to give the students a voice in the government of their school. The primary objective is to make for better relations between the administration and the students. The council is to act as a buffer for the many requests students put forth.

The annual Crestview Homecoming has been the main project of the council. The council has also conducted a mock election. This year steps have been taken to secure a foreign exchange student for next year.

Judy Pancake, Paul Allison, Dave Rosendahl, Ruth Gerken Mr. Fleming and Mr. Edinger, Advisors.

NATIONAL HONOR SOCIETY

The Crestview Chapter of the National Honor Society this year has carried out an unusual Enrichment Program, planned to add to our cultural and social development. The group, accompanied by their sponsors, Mrs. Wood and Mr. Steffan, attended a lecture by a prominent author of political books; saw a movie on narcotics addiction; attended an organ recital, a Civic Theater production of a modern play, "Never Too Late;" had dinner at a fine city restaurant; and attended a concert presented by Indiana University Singers. In May is held the main social event, a dinner and program honoring the senior permanent members and welcoming the new members tapped at the annual induction in April.

Members of the sophomore and junior classes who meet the rigid scholastic and social requirements of the National Honor Society are eligible to become probationary members. Seniors are eligible for election to permanent membership in the society.

Our purpose is to stimulate an interest in science by using films, speakers, demonstrations, and field trips.

Perhaps our largest project is the local science day which involves the high school and junior high students.

This last year we had 217 projects that required 22 judges. Many of the students received superior ratings and advanced to the District Science Day at Defiance College.

PEP

The Pep Club was very active this year. A few of their activities included: making eye-catching signs for home basketball games, making the Crestview Knight Banner, which hangs across the basketball court, the bonfire and dance, and selling the blue and white shakers. All of these things added greatly to Crestview's school spirit.

F. H. A.

Whip cream, red roses and pigtails were highlighted at initiation of our new members. Cake decorating, hair styling, and a trip to Girl's State helped us to become better social homemakers. Crestview this year had the privilege to host the Van Wert County Rally. Theatre habits, popcorn, boats, and a Soda Shop were featured in the skits this year.

Our dance "The King and Queen of Hearts", the style revue, and the picnic finished this year's activities. Our goal this year was receiving the "Award of Merit" for our Chapter, which was presented at the State Convention.

The Mixed Chorus, throughout the year, performs for the public several times. In each of these performances, we do a variety of music including sacred, patriotic, and secular music. We try to do the best music from each of these categories. The Freshman Girls' Chorus and the Freshmen Boys' Chorus serve as feeders and to train these people to be in Mixed Chorus.

CRESTVIEW BAND

The inclusion of instrumental music in the school curriculum serves a dual purpose: it attempts to supplement the total music education needed by every educated citizen, and teaches the necessary discipline and self control (by working as a unit for a desired goal) needed for success in today's world. The band strives to accomplish these goals by dividing its time between marching and concert performances throughout the school year.

FFA QUEEN

The FFA Queen plays an important role in the chapter. She makes many appearances at such F.F.A. activities as initiation, two degree ceremonies, state fair, county fair, parent and son banquet, and school assemblies.

The chapter is bound by the state fair rules which require the girls who are nominated to live on three acres or more.

The girls nominated by the FFA boys are contacted to see if they are available. Then the entire chapter votes on the six girls until one girl has the majority of the entire chapter. The results are announced and she is honored at the annual F. F. A. Dance.

The Queen is MISS CATHY SPRINGER.

STUDY HALL

Study Hall Studying

Many student hours were logged in the big room on the top floor. Here dreams were dreamed, schemes were schemed, romantic crushes bloomed and died, clock watchers clock watched, numerous pencils were sharpened, books were withdrawn and returned to the library, and the knowledge of the ages was discovered.

Study Hall not Studying

The, the 1967 Cavalier staff, wish to express our thanks to all those who have made the past twelve years of our education a success.

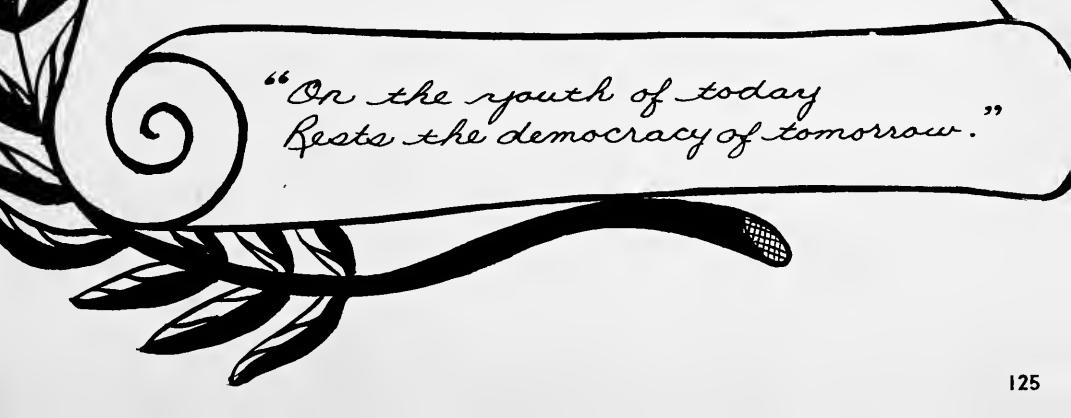

We thank the entire faculty for their help and guidance, and we thank our class sponsors for that extra little push we needed.

For us seniors, our years at Crestview have ended, but we are crossing the threshold of a new world. Behind us we leave memories of dances, ballgames, and proms; ahead of us lie new challenges, and we must conquer them.

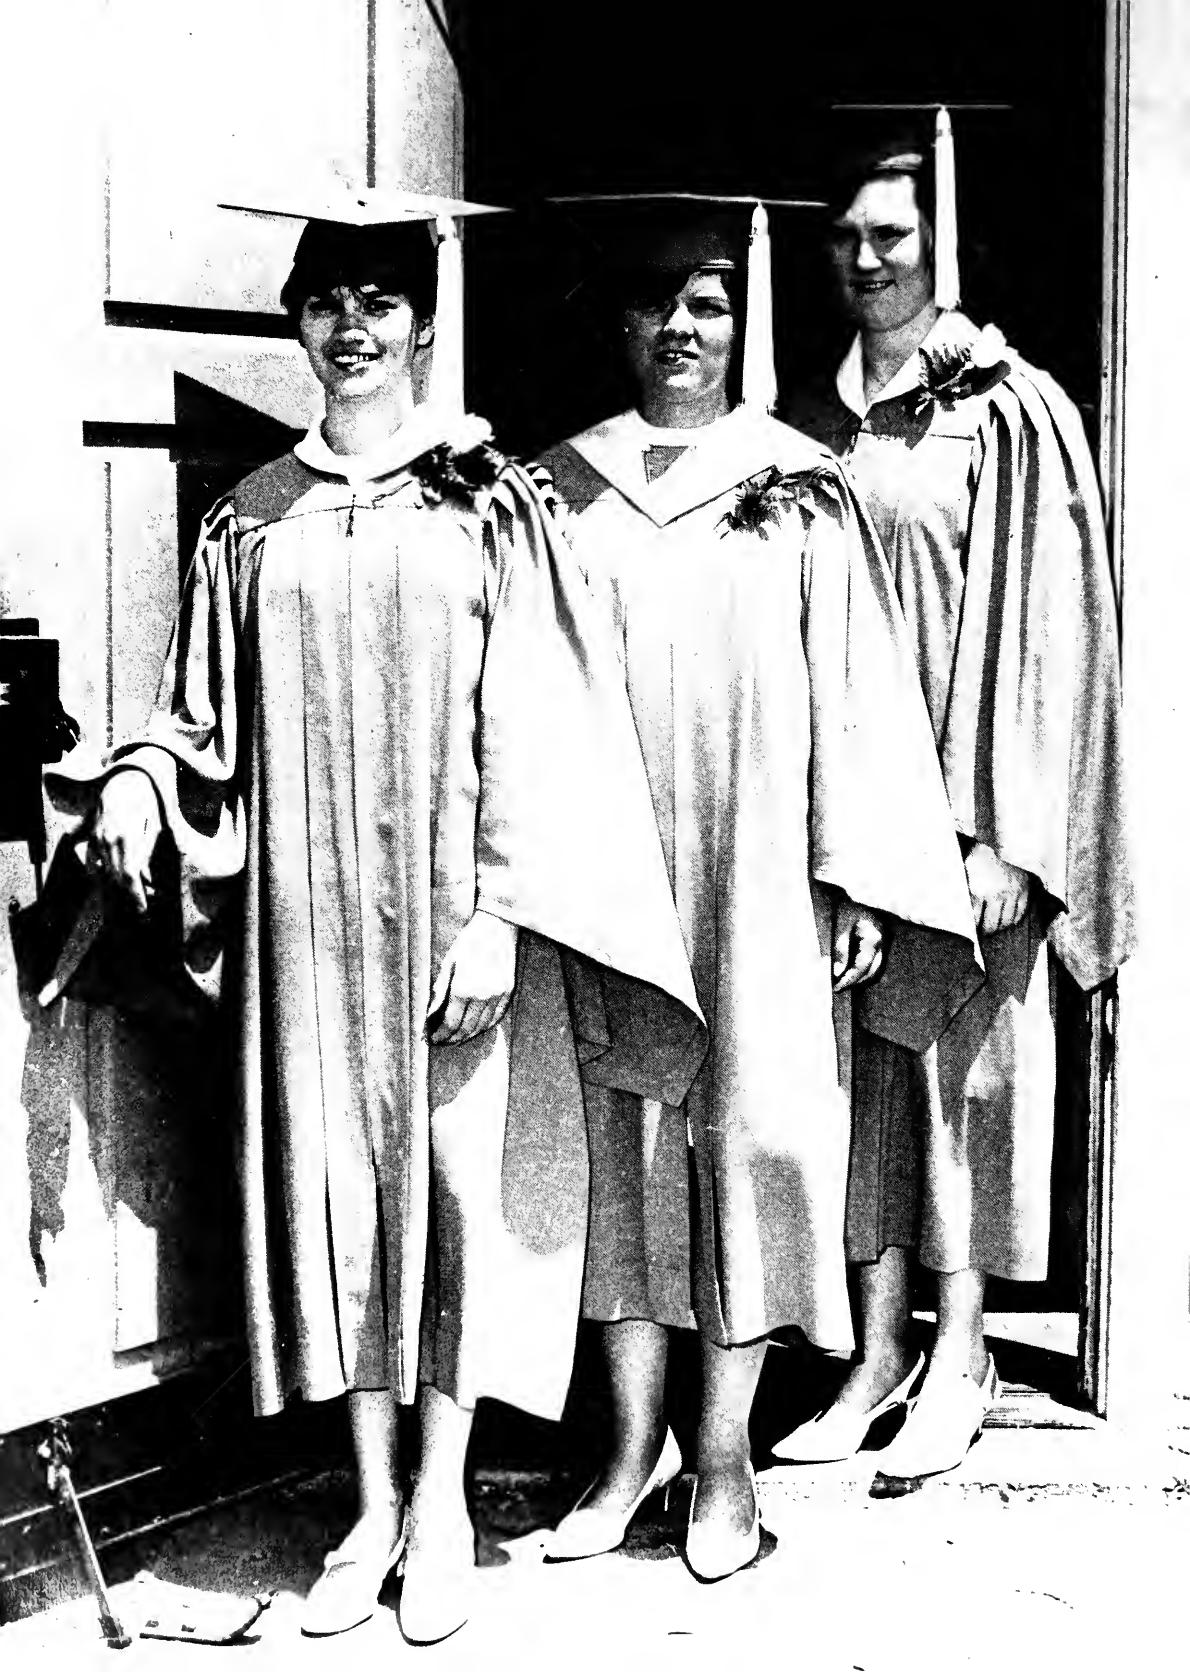

To those who are to follow us we leave these few words:

"Make the most of your education, yourself, and your life."

"On the youth of today
Rests the democracy of tomorrow."
